We Need Summertime Volunteers For Our Lovely Children!

Even during the summertime, we still have kids who need to stay connected to the church.

We will continue Children's Time during the service and run the Sunday school but differently.

For this, we need a volunteer to care for our children during the worship time (July 2 - September 3 - 10 weeks).

All the resources will be provided - you only need to stay with them with a little talk and prayer. A sign-up sheet will be available the beginning of June.

I believe we have amazing adults who have much to give. I appreciate your enthusiasm to serve the children in advance.

Pastor Brian. :)
