Building Committee Update

A recent survey discovered that most people take an average of 17 minutes while waiting in line. Also, most people lose their patience in only 9 minutes while on hold on the phone. Impatience is a common trait. James the brother of Jesus wrote to a group of believers struggling with being patient. He wrote "Be patient and stand firm" -

he called them to be like a farmer who waits patiently for rain and the harvest. As we approach the completion of our building project at Westside, we need to continue to exercise patience, while we work through the remaining issues confronting the Building Committee. However be encouraged - we

are moving forward albeit slowly at times. Forward motion:

- lots on Forest Rd are sold
- grading of the upper and lower parking lots is near completion (hoping for asphalt to be applied before the asphalt plants are closed for the winter)
- curbs and sidewalks scheduled to be poured
- exterior windows and doors now being installed
- siding on the addition to begin
- interior walls, plus plumbing and electrical work has begun

As you can see the project is moving ahead. Please continue to financially support and pray for this project as we push towards the finish line.

Thanks for sharing your stories of gratitude and writing thank-you notes. So many shared thankfulness for family and friends, love, grandchildren, a safe country to live in, food, homes, marriages, the Word of God, the Westside Church family, mommy and daddy, friends,

answers to prayer, etc. Your participation has inspired us to strive towards a life of gratitude. Blessings, Rev. Dongwon Brian Jung

As Palestine and Israel are mired in violence and suffering, Presbyterian World Service & Development (PWS&D) humanitarian response will assist with shelter, food, livelihoods, emergency health, psychosocial and mental health support, as well as cash assistance to allow people to purchase the goods they require.

Donations made to PWS&D are eligible to be matched by the Government of Canada through the Humanitarian Coalition's Gaza Emergency appeal. Donations made until November 12 will be matched, up to a total of \$10 million. Go to: <https://presbyterian.ca/donate/donate-to-pwsd-gaza-crisis-appeal/>

Some of the ladies from Westside visited Cambridge Memorial Hospital and donated Westie Bears for patients.

Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law.
