

WESTSIDE'S STORY

Oct. 5, 2022 Newsletter - Pg. 1 of 2

Pastoral Care Contact

Westside's Interim Moderator Rev. Megan Penfold is the minister at Doon Presbyterian in Kitchener. Since January 2022 she has been serving as the Interim Moderator for Westside. Megan can be reached at 226-899-1250 or at penfolder79@gmail.com.

Photos taken may appear on Westside's website. Please let the office or Dale O'Connor know if you have any objections.

Westside wants to respect the privacy of those attending worship in person as much as possible, while live streaming our services. Please remember our services are broadcasted, recorded and made publicly available.

Just a reminder to all organizers of events at Westside to please book your event through Jan in the church office so she can add all events to the church calendar.

Please pray for Glen and Jane Christensen, Shawn Hass, Nadine Mahaffy, Eva Buchaupt, and Dale O'Connor. Please forward prayer requests to Mardie Crosby at 519-219-0783 or at rcmk@rogers.com.

Re: Building Committee Update

“Hallelujah!” It’s with much joy and exaltation that the Building Committee is finally able to announce that all required permits have been granted and Westside can finally proceed with the proposed renovations, addition and demolition! We must admit, there were times when the Committee felt frustrated and extremely overwhelmed with the many delays and bureaucratic obstacles placed in our way, however, we believe most of that is now behind us (we hope and pray).

We anticipate that the demolition of the house at 172 Forest Road and the renovations and addition to the church building will begin in the very near future.

With the above-mentioned good news before us, your Building Committee would like to thank you for partnering with us over these many long months. Your prayers and financial support have been a constant encouragement to us and we continue to thank God who had led us this far. For those who have yet to support this project financially, we would like encourage you to prayerfully consider your financial support now, as we would like to push our renovations as far along as we can while the contractors are still on site.

In closing, we would like to once again thank God for His grace and the congregation for their prayers, encouragement and financial support as we endeavour to complete the tasks before us.

In His service,
Your Building Committee
