BUILDING COMMITTEE UPDATE

On Sunday, Sept. 10th, the Building Committee shared the following information with those present in the service and with those watching online:

- new boilers have been installed
- new electrical panels have been installed
- the addition has been framed
- lots on 72 Forest Rd. have been listed for sale

Since the Sept. 10th update:

- the roof is on the addition and has been shingled
- the block wall in the washroom next to the Sunday school room has been removed in preparation for its use as a handicapped washroom
- the stained glass window in the balcony has been removed in preparation for the new window
- the real estate subcommittee has reported that the lots have been sold
- the parking lots are being levelled in preparation for paving
- work in the interior of the addition has begun

In closing, your Building Committee once again wishes to thank each and every one of you for partnering with us through this long and challenging process. We thank God for His guidance, your prayers, and your financial support. As you go about your day, today, and in the weeks to come, join me in prayer thanking God for the ministries He has in store for Westside. Thank you. John Ridsdale, Westside Building Committee.
